Profile

UI Developer proven to bring forth expertise in design, development, testing and maintenance of websites and applications. Equipped with a diverse and growing skill-set. Proficient in various technologies, languages, libraries and frameworks.

Experienced with the latest cutting edge development tools and procedures. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team. Proven self-starter and able to adapt and shift focus in an agile environment especially in a remote position.

Employment History

Web Software Developer, ISPA Technology, Fort Bragg, NC

DECEMBER 2019 – PRESENT

- Took on a senior level role as the only CSD for a 40 person team working 4 different major projects and multiple request for code review and graphic icons during my first 5 months with the company.
- Worked productively with Knowledge Management Team to understand requirements and business specifications around DoD customer request for custom applications within SharePoint.
- Reduced the workload of a contracted outside tech team by approximately 12% by assisting in the UI development and front end mutations for a custom application for the 75th Ranger Regiment RASP program.

Webmaster and Graphic Designer, Carolina Roller Derby, Inc., Raleigh, NC

OCTOBER 2018 – PRESENT

- Led the re-brand of this organization through site re-design, social media and print graphics (including a new team logo) which increased sales of games and merchandise for the 2019 season.
- Managed the web presence of Carolina Roller Derby a 501c3 organization run solely by skaters and volunteers.
- Coordinates and works closely with the board of directors to ensure ongoing consistency and innovation in web content and design using WordPress and custom HTML/CSS.

Petty Officer Second Class, United States Navy - Reserve, Raleigh, NC

OCTOBER 2011 – PRESENT

- Assisted NOSC Raleigh Training Department with visual organization of 13 Surge Main Mobilization Sailors.
- Trained OSU Unit (82 Members) on Medical Readiness and Stress Control during COVID-19 as Medical PO for Unit.
- Brought forth passion and a dedication to my country deploying with Carrier Strike Group 8 and the VAW-126 Hawkeyes squadron as an Aviation Electronics Technician.
